

Teacher Booster Discussion Guide

bCyberwise - Session 3 - Strategies to Stay Safe

Introduction

These discussion questions are provided as suggestions to assist teachers to deepen the students comprehension of the content that has been taught as part of your schools Life Ed visit. The Booster Session discussions integrate a variety of question styles to engage learners; by activating prior knowledge, revisiting new knowledge and extending understanding by posing open-ended questions. The booster sessions can be used in a couple of ways after the Life Ed visit. Teachers may like to watch the video in full and use the discussion points as a summing up activity. Teachers may also like to stop the video throughout to pose questions, or respond to student ideas and questions.

Note:

Life Ed is committed to child safety, health and wellbeing. We want all children to be safe, happy and empowered. When learning about these important ideas and topics, teachers are reminded to follow your school's Child Protection Policy to ensure that classrooms are a safe learning space.

What are some of the ways we can stay safe online?

(Only connecting online with people we actually know in the real world, strong passwords, not sharing passwords, looking out for scammers, hackers, viruses, respecting people's privacy, don't share photos or videos of people without their consent/permission, if someone or something makes you feel unsafe you should talk to a trusted adult)

What are some other strategies we could do if you are sent a mean message or something that makes you feel scared, unsafe or uncomfortable?

(open ended)

What does Recognise, React, Report mean?

(Recognise: listen and respond to your body clues, React: make choices to keep yourself safe, say no clearly and forcefully, ignore the person, turn off the device, walk away, Report: talk to a trusted adult, look at eSafety.gov.au website)

What are some of the rights kids have online?

(to learn, connect, communicate, have fun, to be a part of the online world, to be safe,)

Blocking means stopping a person from contacting you online.

Why is this important and how can it keep you and others safe?

(it means that the person can no longer message you) (open ended)
