

Take a Breath Booster Session 1 - Assessment Task

take a
Breath.

Smoking and vaping - your voice, your choice

Learning Intention:

Today we are: identifying some of the laws around smoking and vaping.

So we can: help promote the benefits of not smoking or vaping.

I will know I have been successful: when I create an informative poster depicting benefits of not smoking or vaping, as well as laws and costs.

Assessment Task:

Create an informative poster around the benefits of not smoking or vaping.

You must include text and pictures, as well as:

- at least one (1) smoking or vaping law you have learnt about
- at least one (1) positive health benefit by not smoking or vaping
- a catchy slogan to encourage people to live a smoke-free and vape-free lifestyle.

Large empty rectangular box for creating the assessment poster.
